GC House Burglars Hit 5 Homes On Weekend

**Loot Totals Over \$200
Cash, Jewelry, Cameras;
Venice Nabs 3 Burglars**

House burglars were active again in Granite City with their reports received from five house-holders Thursday night through Sunday. In most instances the houses were thoroughly ransacked in a search for money.

In Venice, a recent house burglary was cleared with three juveniles taken into custody Friday.

Money, cameras and a record player were stolen in a burglary at the home of William Boyd, 2400 State street, where bedrooms were ransacked between 12:15 and 7:15 p.m. Sunday.

Taken were about \$17.75 plus \$4 in Kennedy half dollars, three cameras valued at \$10, \$65 and \$85, and the record player valued at \$17. There was no forced entry. The front door was open when the boys returned home.

Clumsy Burglar

A clumsy burglar spoiled his chances when he opened a kitchen door and knocked over a flower pot and stand at 8:50 p.m. Thursday, arousing the householder, Mrs. Emma Ahrens, 2302 Holmes avenue, who had retired for the night.

Mrs. Ahrens told police she jumped out of bed upon hearing the loud crash and the barking of her dog. She saw a tall man with a flashlight run out the front door after kicking open the aluminum storm door. In his haste, he was unable to gather up any loot.

Entry was made through the basement. The back door to the basement was unlocked.

Marian Hall, 2435 Washington avenue, found her entire house ransacked upon returning home at 11:30 p.m. Thursday, she informed police.

A second-floor apartment of a tenant, Roscoe Phillips, also was ransacked. Nothing was missing. The break-in occurred between 7 and 10 p.m. while the house was unoccupied. Entry was gained by forcing the rear screen and kitchen doors.

A 16-gauge shotgun valued at \$133 was stolen from the hall in the rear of the home of Mrs. Margaret Buckingham, 2412 Madison avenue, at 9:25 p.m. Friday. There was no sign of forced entry.

Mrs. David Clayton, 2321 Terminal avenue, reported at 10:15 p.m. Friday that a brown envelope containing assorted bills and coins totaling \$84.46 was stolen from a utility cabinet while the family was away from home between 5 and 7 p.m. The doors were unlocked.

Burglar Trio Caught

A youthful burglar trio, boys 14 to 16 years of age, are to be turned over to county juvenile authorities today by Venice police who recovered over the weekend most of the loot taken in a burglary Nov. 6 at the home of Mrs. Bess Stoll, 1025 Main street.

Police recovered a set of dishes and a transistor radio. The radio had been sold to a Venice man for \$3, and the set of dishes was found hidden a short distance from the Stoll home. Several rings taken from the house are in the process of being traced.

The house was ransacked in a search for money, and an unknown number of old or worn coins are missing. The boys (Continued on page 18, col. 8)

RUSSELL D. JOHNSON

Wetzel Harness, St. Clair County, To Head SWIMAPC

The Southwestern Illinois Metropolitan Area Planning Commission Thursday night elected Wetzel Harness, a former chairman of St. Clair county board of supervisors and the commission for the 1965-67 year.

The election was held during a regular quarterly meeting of the commission in Fischer's restaurant, Belleville. Barney Metz, mayor of Dupo and chief clerk of the St. Clair county board of supervisors, was re-elected secretary.

Other Officers

Other officers elected during the meeting include Briggs, vice chairman, and Edward G. Holzner, chairman of the Collinsville Planning Commission.

Named to the board of directors were James "Bud" Krause of East St. Louis, newly-elected state representative; Alton May of Alton; Charles G. Chenoweth, chairman of the Belleville Planning Commission; Edwin Leonard, chairman of the Alton Planning Commission; Raymond F. Rippelmeier, of Valmeyer, a county commissioner of Monroe county.

The officers were proposed by a nominating committee headed by Harry A. Kluge, superintendent of schools.

Canvass of General Election Under Way

The official canvass of returns from the general election in Madison county last Tuesday may be completed by tomorrow, Miss Eulalia Hutz, county clerk, reported today.

The canvass board is checking returns from the county's 184 precincts. Besides Miss Hutz, it is composed of M. G. Schaefer, Edwardsville township G.O.P. chairman, and James Chapman, county recorder of deeds and secretary-treasurer of the Democratic county committee. They were appointed by county chairman.

Russell D. Johnson Sr., 65, Granite City superintendent of schools for the past 2½ years, died unexpectedly of a heart attack Friday afternoon at his home. He was pronounced dead upon arrival at St. Elizabeth Hospital at 2:30 p.m.

Supt. Johnson, who was on a Veterans' Day holiday after appearances at nearly all schools last week during a busy American Education Week observance, was recaning a chair at his home when he collapsed. Funeral services were held at 1 p.m. today at St. Peter United Church of Christ. Burial was at Sunset Hill Cemetery.

His death was just 2½ months after Madison School Supt. Russell Brown, 61, also died unexpectedly of a heart attack at his home on Aug. 31.

Supt. Johnson, a 40-year veteran of the Granite City school system, started as a mathematics teacher in 1926 at the community high school, and over the years was faculty manager of athletics, assistant principal of the high school, principal of the high school, assistant superintendent, director of vocational and industrial education.

Promoted in May 1964

Prior to his promotion to superintendent of the school district on May 14, 1964, he was assistant superintendent for junior high and senior high instruction.

In his honor, flags are flying at half mast at schools, and a school was dismissed today for the services.

At the time he was named superintendent of the rapidly growing local school district, the school board took special note of his abilities, his experience in the field of education, his knowledge of the district and his enthusiasm in carrying out the objectives of the school district.

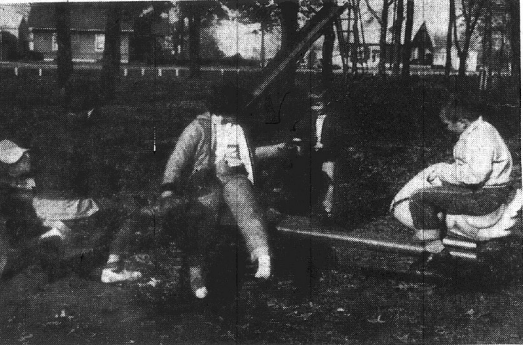

High School Supt. Paul A. Grigsby at the time of the consolidation of the Granite City high school and grade school districts and a number of rural area schools, including Mitchell and Stallings.

At that time in 1950, the combined system had a severe shortage of funds, and it was not unusual to see Mr. Johnson at the schools on a Saturday or Sunday helping the custodian with a broken down furnace or a stopped up drain that was causing a flood.

His devotion to the school system throughout the years won him not only the respect and praise of the community, but also his colleagues.

He did extensive work with the planning firm of Harland Bartholomew & Associates in a master growth plan for the district.

SUNNY SUNDAY FUN at a Wilson Park playground in 55-degree weather yesterday is enjoyed by a group of youngsters who had this playground all to themselves. They are Charles Taylor, 8, Richard Taylor, 7, and Cindy Taylor, 10, all of Pontoon Beach, and Allen Briner, 8, of 3041 Ash avenue.

Acting Supt. of Schools to be Named Tonight

Appointment of an acting superintendent will be considered by the Granite City school board during a regular meeting at 7:30 tonight.

Supt. Russell D. Johnson died unexpectedly Friday afternoon.

Ironically, tonight's agenda prepared by Supt. Johnson includes "implementation of a program for selection of a new superintendent." He had planned to retire June 30, 1968, and his eventual successor was to be hired in the 1968-67 year. During the 1967-68 year, Supt. Johnson planned to spend much of the time informing the public of his death, and decided to dedicate Parkview grade school, tentatively set for Dec. 4.

The saddened board convened again Friday night after learning of his death, and decided to dismiss school year in respect to his long service to public schools in Granite City.

With two board members and many of the administrators out-of-town for the Veterans Day weekend, Secretary E. W. Walcott, Treasurer Ronald Dillard and Board Members George Moore Sr., Royce Timmons and Carl Nacio decided to meet unofficially and called in Business Manager Victor Anderson and Attorney Maurice Dailey to aid them.

Possible Appointees

Since no major decisions had to be made over the weekend, it was decided to wait until tonight to name an acting superintendent. Principal speculation centers on Anderson or Bob J. Dailey.

Area UF Drive Inching Toward Goal of \$367,000

Optimistic reports — based on hard work by volunteers — were given Thursday afternoon by employees of Dow Chemical Co. in a meeting with Campaign Chairman Carl Mathias.

During the campaign cabinet session, announcement was made of an added \$500 pledge by employees of Dow Chemical Co. They earlier had pledged \$4000. An increase of 17½ over last year's goal was \$3000, and pledges total \$3003 for 100.4%.

Division Tops Quota

To support his comment, Mathias said the first division to top its goal is the Professional Division, headed by Eugene Coe, Boy Scout executive. The division's goal was \$3000, and pledges total \$3003 for 100.4%.

Sections in the division are: Medical headed by Bernard Stanley, John Drees and Bernard Miller Jr., with \$5354 and 107.1%; Legal with Irvin Slater as chairman, \$1961 or 87.2%; Dental headed by Edwin Menke Jr., \$615, or 82%; and other professions headed by Harold Gatt, \$1109, or 110.9%.

Current standings of the other divisions are—Industrial Division, headed by C. E. Blankenship and Delancy Davis with a \$18,000 goal, \$130,998, 89.9%.

Commercial Division, Herbert Schermer, chairman, with a \$34,000 goal, \$30,438, or 89.5%.

Public Services Division, Loren Davis, chairman, with a goal of \$14,000, \$14,521, or 95.2%.

Residential and Rural Division, William F. Hoelscher, chairman, with a \$2000 goal, \$1901, or 95.1%.

Madison Division, Mayor Maeras, chairman, with a \$8750 goal, \$8657, or 92.1%.

Venice Division, Mayor Lee, chairman, with a goal of \$2250, \$1751, or 77.8%.

Dense Fog Hits Most of Area, Stalls Traffic

Trains Help Create Big Jams in Venice; Accidents Increase

A dense fog covered most of the Quad-City area this morning, reducing visibility to zero and causing dozens of accidents. The fog was extremely dense in Venice and Madison, causing serious traffic delays.

The fog was reported to have eliminated a weekend period in which 23 accidents were reported in the Quad-Cities, resulting in injuries suffered by eleven persons.

A truck driver was killed shortly before 7 a.m. today at Route 203 and Interstate 70, near East St. Louis, in an accident reported to involve a 20-car pileup, caused by the fog.

Ambulance drivers from East St. Louis reported they took ten persons to hospitals from the crash scene. Other ambulances were also reported to have picked up victims. Name of the truck driver still was withheld early this afternoon by state police pending notification of his family.

Hundreds Late for Work

Hundreds of persons were late to work as traffic was cut to a bumper-to-bumper crawl over the major highways coming into and leaving out of the Quad-Cities.

Travel was particularly difficult along Route 203 and Interstate 70 between East St. Louis and the Quad-City area. Many drivers gave up the almost impossible task of driving by watching the edge of the highway and pulled off on the shoulder.

Two Granite Cities were injured in a four-car accident as the fog rolled in last night on Route 203, and many other accidents involving dentured fenders and minor damage were noted along the stretch between Interstate 70 and the McCormick avenue viaduct this morning.

Trains Helped by Fog

The unprecedented traffic tie-up occurred in Venice between 7:30 and 8:20 a.m. when a freight train blocked the Broadway crossing at Main street for nearly 20 minutes. The resulting tie-up at Broadway and Klein street backed up the traffic on Broadway to as far as Fifth street in Madison, and for a block and a half along Klein street. Similar tieups occurred at rail crossings in Granite City.

The fog was extremely dense in the Venice and Madison areas, while in parts of Granite City the sun was shining and visibility was clear.

Money Taken in Raids Turned Over to County

Madison county Sheriff Barney Fraundorf last week turned over \$228 confiscated in gambling raids during the year to the state's attorney office for accounting.

Under an order issued by Magistrate Joseph T. Kelleher Jr. of Edwardsville, the money will be released to the county treasurer's office and gambling equipment which was confiscated in two raids will be destroyed.

Of the amount, \$161 was obtained in a raid at a house on Highway 182 near Granite City last Jan. 2, and the rest was taken in a raid of a gambling game during a meeting of the state board of directors of the Junior Chamber of Commerce July 15 at Monticello College.

Faces Disorderly Charge

Billy E. Kingsley, 34, of 2141 Lincoln avenue, was arrested by Madison police at 4:25 a.m. today on a charge of disorderly conduct. Madison police reported they were called to Johnny Lewis' tavern where Kingsley was reported causing a disturbance. A hearing is set for Nov. 23.

Charles Soles, 59, Dies at Staunton

Charles A. Soles, 59, of Rural Route One, Mount Olive, Ill., who was formerly employed in Granite City, died of lung cancer at 1:15 p.m. Saturday in the Staunton Memorial Hospital, Staunton, Ill. He had been ill for eight weeks and a patient at the hospital for three weeks.

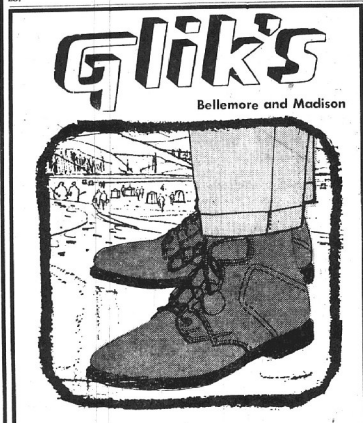

Born and reared in the St. Louis area, Mr. Soles had been employed for the past five years as a maintenance man at St. Louis University. Previously, he had worked for several years as a tile layer for Madison County Tile and Window Co., formerly located at Niedringhaus avenue and State street. He was a member of the Church of God, Gillespie, Ill.

Mr. Soles is survived by his wife, Margaret; two sons, Robert (Pete) Soles, 2025 Rhodes street, Madison, and Arthur Soles of Alton; one daughter, Mrs. James (Shirley) Murphy of Bridgeton, Mo.; and 11 grandchildren.

Funeral arrangements are given in today's obituary column.

OPTIMIST TROPHY being presented to Granite City High School Principal Lawrence McCauley (left) by Wilbert Tribes, president of the Optimist Club, during half-time ceremonies at Friday night's Warrior-Bellevue game. The trophy is to be awarded to a graduating senior who typifies most "the true spirit of Optimism."

Optimists' Dinner Opens Youth Appreciation Week

The annual Youth Appreciation Week dinner of the Granite City Optimist Club was held Friday at the Rose Bowl restaurant with Dan Maxwell of the baseball Cardinals as speaker and student officers for junior high school government day as guests.

The dinner was attended by 47 club members and 11 guests, who heard Maxwell relate his experiences with the Cardinals.

Wilbert Tribes, club president, introduced Maxwell and the youth, full guests, and after the dinner, the group went to the Warrior-Bellevue Maroons football game for participation in a half-time ceremony.

In the ceremony, Tribes presented a trophy to Lawrence McCauley, high school principal, to be awarded to a graduating senior who most typifies "the true spirit of Optimism."

The "Youth in Government" officers also were introduced to the football spectators.

The youngsters are to take over city hall jobs on Thursday. They are—Rick Cardwell of Coolidge junior high, who will be mayor; Robert Dolan of Prather, police chief; Tim Moore of Coolidge, fire chief; Nancy Sornberg of Coolidge, comptroller; Larry Hicks of Prather, city clerk; Philip Dorch of Central, magistrate, and Mary Lee of Central, city treasurer.

Man Charged with Firing Gun in Madison

Henry Morgan, 55, of 1225 Bissell street, Venice, was arrested by Madison police at 8:25 p.m. Sunday on a charge of discharging firearms in the city. Police said they were called to Fourth street and Madison avenue to investigate a report of a man firing a gun.

When officers arrived the man had left, but officers found Morgan in the 1000 block of Fourth street and said he had on him a .32 caliber pistol with two discharged shells and several loose cartridges in his pockets. Morgan still was held this morning and was to be arraigned in court later today.

3 Traffic Arrests

Three motorists were issued arrest tickets within two hours Saturday on charges of failing to observe a stop sign at St. Clair avenue and Edgewood drive. Receiving the tickets were H. E. Wakeford, 4728 Warnock avenue, Gerald Lipchick, 2121 Garfield avenue, and Sandra Harp, 1915 Lynn avenue.

2 Local School District To Get New Training Cars

The Granite City and Madison school districts will each receive two new 1967 Dodge Coronets from Farrington Motors for driver training classes.

Announcement of the future delivery was made today by Don Z. Farrington, local dealer, and Byron Nichols, general manager of the Dodge division of Chrysler Corp., Detroit. The fully-equipped cars are to be supplied to the districts at no cost.

Nuburn Reisinger, 52, Dies in New York City

A former Granite Cityan, who had several relatives in the Quad-City area, succumbed to a heart attack at 10 a.m. Saturday, while taking treatment at a New York City health club on the advice of his physician.

Nuburn Reisinger, 52, of Bay-side Queen's, New York, who had suffered a massive heart attack four months ago, died while under treatment at a steam bath. He had lived in the New York area for the past 15 years and had been employed by an importing firm since retiring five years ago from the U.S. Navy, following 20 years' service.

Born and reared in Granite City, he had attended local schools and was employed at the YMCA prior to enlisting in the Navy in 1941. He was the son of the late Lucy and Crate Reisinger and a brother of the late Mrs. Bertie Garrett, all of Granite City.

Mr. Reisinger is survived by his wife, Nancy; one son, Michael, eight years old; one brother, Fred Reisinger of Ferguson, Mo.; one sister, Mrs. Mabel Dietzel of Fredricksburg, Tex.; a cousin, Mrs. Opal People of Madison; and several nephews and nieces in this area.

Funeral services will be held tomorrow at Bayside Queen's, New York City.

Claims Car Involved In Crash Was Stolen

Raymond R. Syniski, 26, of 833 (r) Greenwood street, denied Sunday that he was the driver of his car which was involved in an accident early Friday morning that caused damage to a parked car, a traffic sign and a fire plug.

Syniski told police his car was stolen from in front of his home at 12:30 a.m. Friday. Syniski, however, was required to post \$100 cash bond on three traffic charges, reckless driving, destruction of city property and failure to comply with regulations governing drivers involved in accidents. Hearing will be scheduled later in magistrate's court at Madison.

Police reported that at 3:45 a.m. Friday an auto, later identified as owned by Syniski, struck a parked car in front of 1726 Ed-wardsville road, damaging then continued east in Edwards-ville road to Greenwood where the car was knocked down a traffic sign and crashed into a fire plug, breaking it off.

According to police the driver got out of the car, taking the keys with him, and left the scene.

THE LAMP IN THE WINDOW

Symbolic of the earlier days of American pharmacy was the lighted lamp in the drugstore window. All through the night it glowed, a beacon of hope, a symbol of unselfish service.

Although the historic lamp is now practically extinct, the fundamentals of pharmaceutical practice have changed but little. The responsibilities of the pharmacist are greater today than ever before — he is a vital factor in medical care. Your patronage is invited.

Consumer Education Week Points to Service by HE Office

With this week being observed as "Consumer Education Week," the county Home Economics Extension office at 900 Hillside avenue, Edwardsville, is reminding housewives that educational home economics information is available through its office.

Mrs. Catherine Mauck, home adviser, said her office can answer the questions as to "why are prices so high?" "Why is this brand rated higher than the others?" and "How do I care for my new floor covering?"

"Home economics information and other consumer programs have been a vital part of the extension service since it was established by an Act of Congress 52 years ago," Mrs. Mauck said.

"We are proud of this service and want to make it as helpful as possible to all families. We are making a special effort to reach the large number of young homemakers with consumer information. Our many elderly people also need this information. We are preparing materials to advise families with low incomes who find it increasingly difficult to manage limited family finances."

The Home Economics Extension office uses various techniques to get consumer data to the public. Columns by the adviser appear in all county newspapers including the Press-Record.

CONSUMER EDUCATION WEEK plans being made for this week's observance by, left to right—Mrs. Catherine Mauck, county home adviser; and local Homemakers Extension leaders, Mrs. Robert Brave and Mrs. Leonard Gertsch.

These columns emphasize the selection, use and care of goods and services. Presentations are given monthly to the 31 Homemakers Extension units in the county, and topics cover such fields as care of feet, efficiency in the kitchen, furniture buying and care, use of time and energy.

The programs also are often presented to women's clubs and PTAs. Institutes for family living provide workshop sessions for economically deprived women in the county. They cover such programs as nutrition and food preparation, money management, buying clothing and medical self-help. Six institutes have been held this year, and a full program is planned for 1967, Mrs. Mauck said.

Pamphlets printed by the University of Illinois home economics department and by the Department of Agriculture are other sources of information available from the home advisers office.

They cover such topics as "Your Family and Consumer Credit," "How to Prepare Fruits and Vegetables for Freezing," Selection and Care of Sweaters and Knit Wear," among the more than 50 subjects.

The "young public" also is aided by the office through 4-H home economics programs conducted by Mrs. Mary Knecht, assistant home adviser. The 1138 4-H members are assisted through their local club programs.

Mrs. Mauck said several new University of Illinois folders will be available for the first time at her office this week. They contain information on choosing books and toys for children, judging clothing quality and selecting small appliances.

All-Day Workshop By Garden Club

The Gardenaires Club met in the home of Mrs. John Farrell on Willow avenue Thursday for an all-day workshop.

With the hostess as instructor, the group learned to make and arrange decorative Mexican flowers. A sack luncheon was enjoyed at noon with dessert and coffee served by Mrs. Farrell.

Mrs. Mary Kristian, president, conducted a short business session and plans were given for the flower show to be given by the Fifth District, Garden Clubs of Illinois, Dec. 9 in East St. Louis.

Also discussed was the annual Christmas party to take place Wednesday, Dec. 14, in the home of Mrs. Charles Kohl on Gary avenue.

Church Women Plan Events, Elect

Attendance at a meeting of the Metropolitan United Church Women of St. Louis to be held Nov. 30 is being planned by the local Council. The speaker will be Mrs. Margaret Thomas, National Executive Director.

Arrangements were made last week when the Quad-City Council of Church Women elected new officers. They are Mrs. Jerry Howard, Church of God, first vice-president; Mrs. Rose Marie Bauer, St. John United Church of Christ, second vice-president; Mrs. Helen Johnson, First United Presbyterian Church, recording secretary, who is filling an unexpired term; Mrs. Wadie Baum, Bethel AME Church, treasurer; and Mrs. Avalon Young, Nameoki Presbyterian, corresponding secretary.

Mrs. Estelle Monken, St. Peter United Church of Christ, is president of the Council. Her term will expire next year.

A number of coming events have been announced. They include the World Day of Prayer, Feb. 10, 1967, at St. Peter Church; and May Fellowship Day May 5, 1967, at First Presbyterian Church. Mrs. Rose Marie Bauer will be in charge of the World Day of Prayer, and serving on the committee for the May Fellowship Day will be Mrs. Georgia Surbey and Mrs. Helen Robertson.

During last week's meeting, Mrs. James R. Craddock was in charge, and the topic was "The United Church Women." A film entitled "The Church and Human Need" was shown.

The annual meeting was held at the Nameoki Presbyterian Church. A noon luncheon was served at tables decorated with autumn flowers and the invocation was given by Mrs. Beulah Digiacomo.

Plans were made to work with the church school superintendents of all the churches attending UNICEF and a program with all interested persons attending will be held in the spring. Mrs. Gerry Howard, World Relations chairman, will be in charge.

REBEKAHS HOLD INSTRUCTIONAL SCHOOL

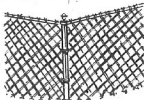

A school of instruction was held Thursday evening for members of Juanita Rebekah Lodge 477 in connection with a meeting at the American Legion hall.

Mrs. Alma Davis, noble grand, presided over the business meeting and the instruction was given by Mrs. Theima Johnson of Ann Rutledge Rebekah Lodge 47, district deputy.

Plans also were made for the annual Christmas party and gift exchange Dec. 8.

MRS. ROBERT B. SCATURRO, the former Donna Rose Miller, a daughter of Mr. and Mrs. Walter J. Miller, 1540 Sixth street, Madison, who was married Saturday at St. Mary's Roman Catholic Church in Madison.

Miss Donna Rose Miller is Bride of Robert Scaturro

Arrangements of white flowers and palms decorated St. Mary's Roman Catholic Church in Madison Saturday for the wedding of Miss Donna Rose Miller and Robert B. Scaturro.

The bride is a daughter of Mr. and Mrs. Walter J. Miller, 1540 Sixth street, Madison, and Mrs. Dominic P. Scaturro, 1229 Robin street, Venice.

The ceremony took place at 11 o'clock, and a reception was held in the evening at the Venice-Madison American Legion Home.

A gown of glorie and re-embroidered Alencon lace was worn by the bride. A floor-length sheath, the skirt was trimmed with crystals and seed pearl appliques. The sleeveless coat train was also appliqued with the lace, and pearls and crystals encircled the waist.

A lace and satin tiara with pearls held in place a tiered ballerina-length veil of nylon illusion and the bride's cascade bouquet was made up of white gladioli and variegated ivy centered with a white orchid.

A maid of honor, Miss Mary Margaret Nunn, and six bridesmaids, Miss Christine Daugherty, Miss Judy Susan Daniels, and Miss Roberta Pearce, all cousins of the bride, Miss Mary Donna Scaturro, the bridegroom's sister, Miss Stephanie Ann Antonovich, and Miss Debrah Vaughn, preceded the bride to the altar. They were dressed alike in humming bird green. The blouses on bodices were fashioned of velvet with scoop necks and the floor-length skirts were of crepe. Pill boxes were of matching velvet with maline veils and all held offside cascades of bronze spider mums and pom poms.

Theresa and Mark Brunic, cousins of the bride, were flower girl and ring bearer. The former carried a basket of autumn flowers.

Garden Club Gets New Calendar

Mrs. V. J. Lisac, 1900 Amos avenue, entertained the Cloverview Garden Club at a 12:30 luncheon Thursday.

Mrs. John Jenkins presided over the meeting after the club collect was read by Mrs. Leo Roman. The new Garden Club calendars from the National Council in St. Louis were distributed and there was a discussion of the coming flower show, "Color It Christmas," to be presented by District Five, Garden Clubs of Illinois Inc. Dec. 9 at Immanuel United Church of Christ in East St. Louis. Mrs. Arthur Fischer and Mrs. J. Reed Jones of Collinsville announced the schedule.

Mrs. Fischer, a past director, is co-chairman of the show, and Mrs. Jones is staging chairman. The Cloverview Club will participate.

Also announced was a workshop to be held at the Community Center Tuesday, Nov. 28, and the annual Christmas party Dec. 13 at the Top of the Tower restaurant, St. Louis. Mrs. Roman is chairman of the party event. There will be a gift exchange and luncheon.

Others present at Thursday's meeting were Mrs. Fred Orr, Mrs. B. C. O'Neill and Mrs. John Lentz.

World Affairs Dinner Wed.

Mrs. Myles J. McNally, executive director of the St. Louis Council on World Affairs, will be the speaker Wednesday evening at the 6:30 dinner meeting of the Granite City Business and Professional Women's Club to be held at the Rose Bowl.

Mrs. Lily Chaboudis and Mrs. Helen Gantchev, of the World Affairs committee, are serving as co-chairmen. Mrs. Gantchev is a member of the St. Louis Council.

DR. KOCH TO SPEAK TO COLLINSVILLE CLUB
Dr. Felicia Koch will be speaker Thursday evening at a monthly dinner meeting of the Collinsville Business and Professional Women's Club at St. John United Church of Christ in Collinsville.

Dr. Koch, who has been in general practice in Granite City since 1938, is a member of the Granite City Business and Professional Women's Club and is active in many local and county organizations. She was winner of a Woman Achievement Citizenship Award in 1965 and this year was voted Illinois Mother of the Year.

Hall and Rodgers Wedding At Calvary Baptist Church

Calvary Baptist Church was the scene of the wedding Saturday afternoon of Miss Harriet Laurinda Rodgers, a daughter of Mr. and Mrs. Frank Rodgers Jr., 2515 Lincoln avenue, and Jimmy Darrell Hall, whose parents are Mr. and Mrs. Jewell W. Hall, 2520 East 24th street.

The Rev. Wilbert V. Snider officiated at the 3 o'clock ceremony, and a reception was held at 6 o'clock at the VFW Hall.

Bouquets of orange and yellow chrysanthemums decorated the altar, and white satin bows marked the family pews.

Miss Sharon Baker presided at the organ and accompanied the vocalist, Miss Joan Mowery, as she sang "Because," "Always" and "Wedding Prayer."

The bride was given in marriage by her father. She wore a gown of white Chantilly lace, the bodice fashioned with a subtle neckline etched with iridescent sequins and long tapered sleeves. The very bouffant skirt, held wide with crinoline, featured a front drape over a double tier of wide lace scalloped edges with sequins and pearls, the fullness ending in a wide sweep train.

A forward headpiece of lace and jeweled petals secured the bride's tiered veil of illusion, and she carried a cascade arrangement of white roses and ivy centered with an orchid corsage.

Miss Catherine Susan Fulton was honor attendant, and Miss Rebekkah Anne Rodgers was

bridesmaid for her sister. They were dressed alike in full length gowns of magisterial saki cloth with scoop necklines and elbow-length sleeves. Venice lace banded the waistlines and self-trim bows accented the backs. Matching headpieces were attached to tiny veils, and both carried wicker baskets of yellow and gold pom poms and bitter sweet.

The bridegroom's father served as best man, substituting for another son, Pic Terry Hall, who is serving with the Army in Vietnam. Michael Rehms, Kenneth A. Rodgers and Gerald Rainwater were groomsmen and ushers.

For her daughter's wedding, Mrs. Rodgers chose a two-piece beige lace suit with matching hat and accessories. Her flowers were gardenias and Tropicaea roses. The bridegroom's mother wore a teal blue lace suit over light beige and a corsage of gardenias and pink roses.

The newlyweds left after the reception for a brief honeymoon in the Ozarks.

The former Miss Rodgers was graduated from the Granite City high school and is presently employed as a stenographer at a St. Louis bank. Mr. Hall, a private first class, U. S. Army, is stationed with the 101st Airborne Division at Fort Campbell, Ky. Before entering service he was employed by General Steel Industries, Inc.

Program on Art For Bay View

Mrs. Milton Allen, 2716 Madison avenue, was hostess to the Bay View Reading Club Thursday afternoon.

A program on art was given by Mrs. C. W. Munson and Miss Jane Parnley, a high school student.

Miss Parnley, a daughter of Mr. and Mrs. James R. Parnley and granddaughter of a former club member, the late Mrs. J. J. Braden, discussed her stay at the Alhambra Park, the past summer.

She was selected by Eugene Alassi of the high school art department and sponsored by the Nameeki Women's club for a week's stay at the park.

She displayed several of her pictures and spoke of the work her grandmother, Mrs. Braden, was a former teacher of art in the local school.

Fourteen members and a guest, Mrs. A. C. Stoeber, were served a dessert course before the meeting convened.

Mrs. Emil Mueller, president, was in charge and announcement was made of the Twenty-second District, IFWC, meeting to be held at Fischer's restaurant, Belleville, Dec. 8. Invitations were also read to a 25th anniversary tea to be given by the Roxana Women's Club Nov. 20, and the Reciprocity tea of the Schubert Club in East St. Louis Dec. 5.

Gabriel Shrine Honors Officers

Mrs. Alice Wood, noble Prophetess, and Charles McCollum, associate watchman of shepherds, were honored Thursday evening at a meeting of Gabriel Shrine 78, White Shrine of Jerusalem.

Mrs. Katie Penneck, worthy high priestess, and Toy Johnson, watchman of shepherds, presided over the meeting and the guests of honor were escorted to the altar where Mrs. Wood was presented with a bouquet by her husband, and Mr. McCollum received a boutonniere from his wife. A song, "How Great Thou Art," was sung by Emmet Caraher, and the guests of honor were seated in the East.

Entertainment was furnished by the Joy Bells Choir of First Presbyterian Church in Madison, directed by Mrs. Dorothy Lionberger.

Several new members who were balloted on at the meeting will receive the degrees of the Order at the December meeting. There were remarks from the

special guests who introduced co-workers from several Shrines. After the song, "Red Roses," by the co-workers, they presented each of those honored with gifts.

After the meeting a party was held in the dining room. The tables were arranged to form a W and an M and decorated with red and white styrofoam hearts, white mums in brandy snifters and tall slender candles. Favors were small pin cushions. Approximately 125 members and guests attended the meeting.

A Christmas ceremonial and party will be held at the Masonic Temple Dec. 8.

WARRIOR BACK Rich Paoli preparing to jump over Bill Martin, Maroon defensive end, before being knocked out-of-bounds on this fourth-quarter play. Down after blocking Martin is Warrior fullback Dan Partney.

Helping Hand

Happiness comes by the load you lift from the weak, not by barrels heaped on the strong.

The Answer

The whole questions of safety in driving resolves itself down to the individual motorist.

Warrior Pass Game Works but Maroons Use Ground Offensive to Triumph 21-13 Here

Unleashing a passing game that netted 10 completions in 20 attempts and a total of 130 yards, the Granite City grid Warriors performed well in their final 1966 game here Friday night but bowded 21-13 to the Belleville West Maroons, who retained first place in the Southwestern conference.

GCIS finished sixth in the conference. To win the championship, the Maroons need only to tie East St. Louis on Thanksgiving Day.

Belleville took the initiative in the first quarter Friday. On the second play of the game, Maroon halfback Bob Cotter intercepted a Warrior pass on the GC 45.

Powerful Ground Game
The Maroon backfield moved the ball in a series of short ground gains, led by the trio of Mike King, Jack King and Bill Mauser from the three-yard line. Mike King ran around end for the first TD. The PAT attempt by southpaw kicker Rick Sterling failed.

Warrior deep man Dave Anderson caught the Belleville kickoff and ran to the GCIS 27. After Warrior Rich Paoli gained five on the ground, Dave Snelson, quarterback, started warning up his arm with a pass intended for Jim Stuart, but it was wide and failed. On fourth down, Yllokoski kicked and the ball was claimed by Belleville on its 40-yard-line.

On the first play, Mauser, on a fake handoff, ran over center, broke loose and ran 60 yards for the Maroons' second TD.

Offense Starts to Roll
After the kickoff, Granite City took control of the ball on its 26. Halfback Ronald Laws gained eight yards on an end run. Snelson dropped back, looking for a pass receiver, and then ran

to the 36 to give the Warriors a much-needed "first and ten." Further gains were not enough, and a fake kick run by Dan Partney on fourth down failed to obtain another first down.

The Warriors gave up the ball on their own 36 but were able to hold Belleville. Granite City gained control of the ball again near the end of the first quarter when Belleville was forced to punt. Snelson threw a 13-yard toss to Paoli for a first down as the game entered the second quarter.

After a series of maneuvers, including a no-gain jump pass from Partney to Paoli and a successful three-yard screen pass from Snelson to Paoli, Belleville took over as on-side kicking strategy failed on the 25-yard-line.

Score on Field Goal
Belleville's dynamic trio move the ball to GC's 19, from where Sterling kicked a field goal, giving his team a 15-0 lead.

The Warriors failed to mount a successful offensive drive and were forced to punt from their own 33.

A boot by Warrior Russell Borsh put the ball on Belleville's 30, where Bob Prince, Warrior defensive back, tackled Belleville's quarterback Gary Zipler and recovered the fumble caused by his hit.

The Maroons were penalized 15 yards for illegal use of hands, moving the ball to the 15. However, Belleville's Cotter intercepted a Warrior pass.

First Warrior Touchdown
Granite City later regained possession and Paoli took a handoff

and ran to the Belleville eight-yard-line. Laws gained two yards but Cotter snared another pass, nullified by a penalty.

The Warriors ran out of downs and Belleville took over on the 23, but fumbled on first down and Warrior Mike Dochwat recovered on the 26.

With only 33 seconds left in the first half, Snelson threw a 24-yard pass to Keith Gruen, who spun into the end zone. The extra point attempt failed, ending the half with a 15-6 score.

During the third quarter both teams were stalemated. The ball switching hands, never moved past the 35-yard stripes until Maroon defensive back Wiley intercepted a pass.

Maroon Pass Blocked
As the final period began, the Maroons moved the ball to the Warrior 14. On a fourth-down pass blocked by Warrior defensive back Bob Prince, GCIS took over the ball on its own 22.

The Warriors were forced to punt after they came to within a half-yard of a first down.

Belleville advanced with Mike King moving the ball to the 25. Mauser running off center to the 22 and Jack King, going off tackle, gaining a yard. Mike King scored on 21 yards out on an end run, with Sterling's kick no good. Belleville led 21-6 with three minutes left in the game.

The Warriors earned two first downs but gave up the ball on the 44.

Interception Leads to TD
After an incomplete pass, Belleville tossed another one, Belleville intercepted by Dochwat for his

second interception of the game. A penalty for pass interference put the ball on the Maroon 31. Laws went off tackle to the 27-yard-line, and then Snelson was caught and tackled on the 26.

With about 40 seconds left, and on fourth down, Stuart scored on a 26-yard pass play from Snelson. With Roger Belshie's kick good, the score moved to 24-13.

On the last tickoff of the game, with 24 seconds to go, Granite City tried an on-side kick, but Belleville captured possession of the ball.

The Maroons are now 8-1 and 5-0 in the conference.

School Athletic Policy

Emphasis on Winning. High Grades Discussed

"Most parents ask these questions in conjunction with the importance of athletics to the student. Why the emphasis on winning and what happens to a player's grades during the sport season?" Dick Yates, Granite City school athletic director, told the Press-Record today in discussing the philosophy behind the athletic program.

"Why the emphasis on winning?" "Simply, if we don't teach winning, we teach losing. There is no middle of the road position. This is not as unwholesome as some people think, but rather it is normal and desirable in training youth.

"Winning is part of the American way of life, both in business and on the athletic fields.

"Over-emphasis on winning usually arises outside the school and does not come from the coaches themselves.

Better Than Mediocrity
"Winning is a reward; if it is not taught, then mediocrity is and there is no place for it if students are to succeed in life.

"This leads to the next question—What happens to a player's grades during the sport season?" "Studies show that, generally, students' grades go up during the sport season.

"To understand this, let us first analyze why a boy receives poor grades in school. First, there may be a lack of interest; second, a lack of ability; third, a lack of improper use of study time," Yates said.

"When a player is participating in a sport, he has a great interest in school in general. At that time he is centered on the school, and sport he is engaged in. Also, he knows he must maintain a satisfactory scholastic average to remain a member of the team.

Desire to Stay on Team
"If a student lacks ability in a subject, he will strive to master it to stay on the team. His efforts during the season will exceed those he puts forth after the season is over.

"Seldom do students study after school, even if they are not in athletics.

"Those who do soon learn to budget their time to cover both athletics and scholastic work. Parents are becoming increasingly aware of the importance of academic achievement.

"An over-emphasis of school work is not physically or emotionally desirable. It has not been proven that a steady unremitting diet of studies is the answer to good grades," Yates asserted.

Check Stations Stop Selling Deer Permits
The Illinois Department of Conservation announced today that deer permits will not be sold at check stations as in previous seasons.

In the past a hunter who did not apply for a permit earlier could obtain one at the Carroll, JoDaviess, Ogle, North Pope, South Pope and Hardin county check stations during the season. Additional permits were issued because wildlife population in these counties were extremely high and could stand a heavy harvest. Now the herd numbers are compatible with the available range and permits will not be issued as successful hunters return to the check stations.

Permits may still be purchased for Boone, DeKalb, Henry, Kendall, Lee, Stark and Winnebago counties in northern Illinois.

In the central part of the state Brown, Calhoun, Christian, Greene, Jersey, McDonough, Menard, Montgomery, Morgan, Sangamon, Scott and Warren counties are still open.

Permit quotas have not been filled in 13 southern Illinois counties. They are: Alexander, Bond, Clinton, Franklin, Jackson, Madison, Marion, Massac, Perry, Pulaski, Randolph, Washington and White.

No permits will be issued for any county after Thursday, Nov. 17.

**Cahokia Will Leave
Midwest Conference**
James Truran, football coach
of Cahokia high school, told the
Press-Record today that his
school will withdraw from vari-
ous sports competition in the
Midwestern Conference after the
finish of the 1966-67 season.

"There is some dissent among
the other schools in the conference
as to our enrollment size
compared to theirs, so we are
going to withdraw," Truran said.
He added that the few schools
in the conference, in football
especially, could draw on the same
number of students that Cahokia
has.

"The smaller schools depend
on sophomores and sometimes
freshmen to make up their vari-
ous squads. We dress only junior
varsity and varsity players for
our games," he noted.

Truran said Cahokia is work-
ing on an independent conference
that may be inaugurated in
1968.

"We have applied to the South-
western Conference twice and
have been rejected. Apparently
they are not yet ready to accept
another team."

Australian Captain Is Army Depot Visitor

Capt. Graham Gordon of the
Royal Australian Engineers is
visiting the Granite City Army
Depot for observation of Depot
operations with particular em-
phasis on heavy engineering
equipment. He will be at the
depot until Saturday.

Upon arrival in the United
States last May, Capt. Gordon
spent one week at the Australian
Embassy in Washington. While
there, he had the opportunity to
visit New York.

Just prior to his arrival at the
Depot, he spent five months at
Headquarters, U. S. Army Weap-
ons Command at Rock Island,
Ill., where he observed Logistics
Support System Functions in the
Supply and Maintenance Direc-
torate.

Capt. Gordon entered the Aus-
tralian Army in April 1948 as a
private and was commissioned
first lieutenant in July 1961
while serving with the 26th En-
gineer Store Squadron in Bris-
bane. He served one year with
the 22nd Construction Squadron,
Royal Australian Engineers, in
New Guinea. When he leaves the
Depot, he will return to Can-
berra where he is a member of
the Staff of the Director of En-
gineer Stores at Army Head-
quarters.

Commenting on his visit to the
United States, Capt. Gordon said,
"I have enjoyed my stay here
and find the people to be friendly
and hospitable."
Continuing, he said, "I have
taken considerable interest in
American pro football since it
has started." He concluded by
saying, "In Australia, they play
the 100-minute continuous game
of football."

Capt. Gordon is married to the
former Jeanie Meagher of Rush-

Warn Children That Plants
May be Poisonous

At this time of the year the
brilliant flowers, seeds and ber-
ries are a special attraction, par-
ticularly to children in the "hand-
to-mouth" stage. But because
many common indoor and out-
door plants are poisonous, chil-
dren should be cautioned not to
put any berries, seeds, fruits or
leaves into their mouth unless
the items have been washed and
handed to them by adults.

The Illinois Department of
Health emphasizes the impor-
tance of teaching children the
importance of not putting any
plant into their mouths. They
also cautioned mothers to place
house plants out of the reach of
small children.

Many plants can cause death if
children eat enough of them.
Others can cause severe pain.
Difenbachia and other plants of
the "dumb cane" family cause
the mouth to swell so that speech
is impossible.

A partial list of poisonous
plants that may be common now
and in the months ahead includes
bittersweet, chrysanthemum, rho-
dodendron, philodendron, ivy,
poisonilla, holly berries and mis-
souri. Keep these plants out of
the reach of small children. This
advice also applies to such pois-
onous bulbs as tulips, lilies, daffo-
dils and narcissus.

If a small child eats part of
any plant, or is suspected of doing
so, call a physician or the
nearest poison control center im-
mediately. There are 93 suc-
cesses in the emergency room
of hospitals in Illinois, and they
operate on a 24-hour basis.

Auto Mishap Damages Eagles Home, House

Three vehicles, the Eagles home, a house and a utility pole were damaged in a freak accident at 12:30 p.m. Friday at 26th street and Madison avenue, but no one was injured.

It occurred as a Petrillo Fruit & Vegetable van, driven east on 26th street by Oreste Petrillo, 2186 Monroe street, pulled out to Madison avenue to permit a Bi-State bus to turn onto 26th street.

An auto driven by Anna S. Kunneemann, 3822 Nameoki road, passed the bus and hit the van which spun around and struck the utility pole.

Her southbound auto then then crossed Madison avenue, struck the Eagles building, and then hit the rear of an auto owned by Foster B. Lancaster, Omaha, Neb., which was parked in the driveway of a home at 2538 Madison avenue. Foster's auto was shoved against the house, knocking a hole in it.

Three Charges Filed

George Stiffner, St. Louis, was arrested on charges of driving while intoxicated, driving on the wrong side of the road and speeding at 3:10 a.m. Friday at 17th street and Madison avenue. Misses Pat Odor and Denise Stock accompanied them on the trip.

SIU Unveils Plans For New Construction

A bi-level building designed for zoned circulation of people and automobiles has been proposed as the new administrative center for Southern Illinois University at Carbondale.

Architects unveiled plans for SIU's \$4.43 million general office and services building Thursday at a meeting of the university's board of trustees. The figure covers total project costs, including fees, furnishing and site work. Its most striking feature — one that could herald a new approach to central campus planning for the school — is an underground parking garage with traffic approaches to the building above grade.

Above the vehicle circulation areas would be broad piazzas and sidewalks surrounding the building itself and linking it to the "classic part of the University," with Old Main at its center.

The building, for which funds are included in SIU's current construction budget, would be located at the north edge of what is now McAndrew stadium. It would front south, along the recessed, roadway, but would have main pedestrian entrances on both the north and south sides.

Five Radar Arrests
Five drivers were arrested on speeding charges Friday as police used a radar unit on various streets in the city. They are Marcia D. Carpenter, 2544 Edwards street; Frank L. Roderick, 2555 Benton street; Patricia B. Fleishman, 3238 Colgate place; Clara A. Fraval, 2901 Stratford; and Harold D. Caldwell, 1713 Spring avenue.

GETTING READY FOR BUSINESS. Workers at the new Tri-Cities production center for the hand-capped unload and stack soda bottle cases, the first shipment of a total of 500,000 wooden crates which will be repaired in the year ahead for RC Cola Co.

Handicapped Work Center Starts Production Today

Activity was brisk Friday at the new production center for the handicapped as preparations continued in high gear to enable the workshop to officially open for business today. The Tri-Cities center is located at 2009 Madison avenue.

As employees unloaded the first shipment of wooden soda cases to be repaired under the center's instructional training program, several evaluation studies and interviews were taking place. Simultaneously, other prospective trainees were registered and received information and programs and hours from staff members. About 35 trainees have registered to date. Conducting the evaluation studies,

which determines each individual's capability in the training area and job placement procedures, was Dr. Francis Richardson, consulting psychologist for the Illinois department of rehabilitation, aided by Reid Zentner, assistant director of Specialized Services, Inc., a non-profit organization which also operates a similar sheltered workshop in Alton.

Zentner told the Press-Record that prospective trainees who reside in the Quad-City area should call the Specialized Services office at 485-7708 to arrange an appointment and interview. Staff members from the Alton workshop will conduct interview sessions at the local center each Wednesday from 1-3 p.m., he said, adding that an appointment should be made in advance through the Alton office.

The Tri-Cities production center is modeled on the successful sheltered workshop program, operated in Alton for the past five years. More than 120 handicapped workers are employed in the Alton facility, including 14 residents of the Quad-Cities.

Various products will be manufactured and items will be repaired at the local center, depending on the type of contract work obtained from local industrial firms and other employers. The local workshop's initial contract calls for the repair of 30,000 wooden soda cases per month, over a 12 month period, awarded by the RC Cola Co. Granite City plant.

Many high-quality goods are produced at the Alton workshop, meeting rigid specifications and deadlines. Among the items manufactured are rugs, place mats, pin cushions, carrying bags, cast covers and lint dust-ers. Other work included ironing, mending, sorting and repair of industrial pallets and containers.

Children's Dance Class Opens at YMCA

For the first time in several years the YMCA is again offering the youth department. Specifically designed for the beginning to intermediate dancer, the classes concentrate on pre-ballet and creative dance under the instruction of Mrs. Mildred Hopscher.

The classes are designed to develop rhythmic awareness and co-ordinated bodies, not just learned routines, to give the individual child a chance to express herself through music and movement, Mrs. Hopscher said. Demonstrations for parents will be given regularly.

The YMCA offers two classes on Wednesday afternoon, a beginning class for ages 10 through seven and an intermediate class for ages eight through 11. Interest has developed for a pre-school dance and rhythm class for three-year-old children and parents interested are asked to call the Youth department for registration.

Future expansion plans for "Y" dance activities include a teenage jazz class and a class for adults in basic dance movement. Information may be obtained by calling TR 6-7200.

Hit-and-Run Accident
Two auto parked in the 1700 block of Edwardsville road, were damaged about 2:25 a.m. Sunday when struck by a hit-run motorist driving a light colored 1960 or 1961 auto.

Madison police said the parked cars belong to John Mellich, 1721 (r) Edwardsville road, and Robert Sheppard, 1729 Edwardsville road.

Auto Battery Stolen
Rev. Norman Owens, 1107 Calhoun street, reported to Venice police Sunday morning that the battery was stolen out of his 1964 auto, which was parked at his home.

Budget Being Prepared For County Government

The finance committee of the Madison county board of supervisors began preparing the budget for the new fiscal year last week when the county tuberculosis sanatorium and the county highway department submitted appropriation requests.

Interviews with other department heads will continue through Dec. 2 when copies of the budget will be considered by county board members prior to the December meeting when it will be adopted.

The new budget will run for 11 months starting Jan. 1 as the county board recently voted to change the fiscal year to a Dec. 1 starting date.

A record \$3,707,326 was budgeted last year for the current fiscal year.

A first grade student at Parkview school, she will remain in the hospital for two weeks following the surgery.

NAMEOKI CHURCH SCENE OF CHURCHWOMEN'S MEET

The Quad-City Council of Church Women met at the Nameoki Presbyterian Church Wednesday afternoon. Women of the church served as hostesses, with Mrs. Betty Flinn as chairman.

During the morning session, a program was conducted by Mrs. James Craddock. A film entitled, "The Church and Human Council of Churches," was shown. It explained Church World Service, serving 15 countries of the world, and the results of work by united women.

Mrs. Craddock gave the history and function of Church World Service in state and world projects. A question and answer period was held.

A noon luncheon was served, and prayer was given by Mrs. Bulah DiGiacomo.

The afternoon session was opened by Mrs. Estelle Monken, president, with a business session. Reports were given by Mrs. Monken, who also discussed the churches working together on the UNICEF program.

Installation of officers was conducted by Rev. Gail Cross. First vice-president is Mrs. Gerry Loward of the Church of God; second vice-president, Mrs. Rose-

marie Bauer, St. John's United Church of Christ; recording secretary, Mrs. Helen Johnson, First Presbyterian; treasurer, Mrs. Wadie Baucum, AME Episcopal; and corresponding secretary, Mrs. Avalon Young, Mitchell Presbyterian Church.

World Day of Prayer will be Feb. 10 at St. Peter's United Church of Christ and Fellowship Day will be next May 5 at the First Presbyterian Church.

MRS. KOVARIK ENTERAINS CLUB

Mrs. Rosalie Kovarik entertained her canasta club Wednesday evening at her home in Glen Carbon.

Games were played and prizes went to the following: first, Mrs. Dorothy Renaud; second, Mrs. Mary Sido; and third, Mrs. Rosalie Hoeller.

The hostess used a fall theme in her decorations and served a dessert luncheon to the club and Mesdames Agnes Hillmer, Ruth Ann Roter Catherine Hillmer and Betty Pieper.

On Dec. 14, the club members will take their husbands to dinner at the Colonial supper club and the members will exchange Christmas gifts.

SUPPRESSED DEBATE PARTY FOR SORORITY

The Epsilon Eta sorority unit gathered Wednesday afternoon in the home of Miss Mary Ellen Steinhauer, 1615 Lindell blvd., for a regular meeting.

Miss Steinhauer, president, conducted the meeting, with plans announced for a party Nov. 26 in Schermer's garden shop, Madison. Proceeds will be donated to Christmas charity.

A board meeting will be held in March by the two Granite City chapters, Epsilon Eta and Beta Phi, at S.W.

Gifts for servicemen were packaged and sent to Vietnam, as the welfare project for November. It was announced that a Christmas card has been sent.

On Wednesday, Nov. 16, a "suppressed desire" party will be held in the home of Mrs. Lana Maycock, 65 Riviera drive.

Following the meeting, a knitting session was given to the members by Mrs. Ruby Winters.

Refreshments were served. Others present were Mesdames Virginia Judd, Lucille Tritschuh, Roberta Arbeiter, Judy Hinterser and Carol Soehly and Misses Glend Moore and Charlotte Atkinson.

JOLLY TWELVE MEET AT LEWIS RESIDENCE

On Thursday afternoon the Jolly Twelve pinocle club was entertained at the home of Mrs. Laura Lewis, 2503 East 24th street, for a regular meeting.

The hostess served a noon luncheon to the members, and the afternoon was spent playing cards.

Prize winners were Mesdames Kathryn Smithson, Agatha Sparks, Marceline Jung, Verna Moehle, Laura Lewis, Myrtle Ryan and Sophia Parker. Others present were Mrs. Adeline Schwander and Mrs. Jean Barnes.

The next meeting will be in the home of Mrs. Verna Moehle, 2100 Lynch avenue, Dec. 1.

County Parking Dispute May Be Settled Soon

A dispute between the city of Edwardsville and Madison county officials over use of free reserved parking spaces for county officers and judges in front of the courthouse may be resolved with the development of new parking lots.

City officials have proposed installing parking meters in the spaces to provide parking for customers of downtown business establishments.

At a meeting last week, Leon Scroggins, acting state's attorney, pointed out that the city legally could not take such action. He also showed that the county owns sidewalks up to the curb line on three sides of the courthouse.

It recently was suggested by Sheriff Barney Fraundorf, administrator of the courthouse property, that the walks and lawns be converted into paved parking areas with angle parking for county officials, even though it would detract from the appearance of the business district.

City and county officials agreed to conduct an engineering study to develop city property and the former parking lot at the Knights of Columbus building, now used by the county probation office, as parking areas. A municipal parking lot behind the Edwardsville city hall is expected to be completed in two or three weeks.

THREE AREA OFFICERS among 60 policemen attending four-week police training course at Southern Illinois University's Little Grassy facility receive firm instruction from FBI Agent William Billeaud of Belleville. They are, left to right—Albert D. Young of Granite City, Billeaud and Lynn Hays Jr. and Gerald Gibson of Collinsville.

Mrs. McCracken, 60, Dies; Suffered Stroke

Mrs. Eunice Alberta McCracken, 60, of 2023 McCasland avenue, Madison, who had suffered a stroke two months ago, was found dead by her husband, Millard, when he returned home from work at 4:10 p.m. Thursday.

Mrs. McCracken had been hospitalized for 15 days following a stroke on Sept. 10. She had complained of chest pains before retiring Wednesday evening and again about midnight, her husband said. He believed her to be sleeping when he left for work Thursday morning. She was found in bed.

A native of Keyesport, Ill., Mrs. McCracken had lived in the Quad-Cities for 37 years. She was a member of the Central Free Methodist Church of Granite City and was active in the church's Christian Youth Crusade and the Women's Missionary Crusade.

Besides her husband, she is survived by two sons, Wilbert (Webb) McCracken of Edwardsville and Dean McCracken of Madison; one daughter, Mrs. Raymond (Betty) Allen of Madison; three brothers, Erwin Elliott, Chicago, Albert Elliott, Collinsville, and James Elliott, Keyesport; three sisters, Mrs. Earl (Ethel) Alexander, Fillmore, Ill., Mrs. Anthony (Maxine) Clitz, Washington Park, Ill., and Mrs. George (Reba) Boehne, DePue, Ill.; and six grandchildren.

Funeral services were held Saturday at the Central Free Methodist Church. Arrangements are given in today's obituary column.

Gov't. Bid Session Planned for Nov. 22

Representatives of local business firms, particularly small business, will have the opportunity to bid on government contracts Wednesday, Nov. 22, when the U. S. Army Mobility Equipment Command (MEC) holds its third procurement fair at its headquarters, 4900 Goodfellow Blvd., St. Louis.

Many items will be offered for small shop production, and there will also be sub-contracting opportunities offered.

MEC will have qualified technical personnel available for any counseling needed.

The fair will start at 8 a.m. and end at 3 p.m. Those wishing to attend should go to 4000 Goodfellow, enter gate 1, which is just in front of the flag pole, and go to building 104, which is directly behind the flag pole. Ample parking space will be available.

Anyone wishing further information may call AMherst 3-2222.

Man Wanted by Chicago

Joseph Franklin Merrell, 34, of 2219 Lee avenue, was arrested Thursday at home by Granite City officers on a complaint. They said it was filed by the Chicago police department charging unlawful use of a weapon. Bail was set in magistrate's court at \$500 cash or \$1500 property, and he was held for Chicago authorities.

Auto Being Pushed Strikes Parked Car

An auto with fogged windows being guided by David T. Rotter, 2717 Washington avenue, and pushed by Gary A. Stanek, 2523 East 25th street, grazed the side of the auto of Jack Messick, 724 Saratoga street, in front of his home at 7:50 p.m. Thursday.

Rotter's auto swerved and he applied the brakes but then was hit in the rear by Stanek's car. The rear of that auto then hit the front of the parked car. Stanek was charged with careless driving and was summoned for a hearing by Nov. 23.

Speeding Charge

Roger W. Clatts, 1322 Meridian street, was charged with speeding at East 20th street and Lee avenue at 4:30 p.m. Thursday. He was summoned for a hearing by Oct. 25.

Area's Birthrate Down, Deathrate Up in October

A drop in the Quad-Cities birthrate, and an increase in deaths were recorded for October by Granite City Clerk Homer "Cal" Pendleton, who keeps vital statistics for the entire area. The 93 births in October were below the 93 recorded in September, but above the 71 recorded in October 1965. There were 39 deaths in the area last month, compared to 23 in September and 36 in October 1965.

The Quad-Cities' vital statistics for the 10-month period stand at 770 births and 364 deaths. In 1965, the 10-month statistics were 871 births and 358 deaths.

Local "Y" Offers Varied Activities for Entire Community

Activities to interest all age levels, ranging from the tiny preschooler's first taste of social-educational programs to the fellowship found by senior citizens are provided through a central community facility—better known as the YMCA.

As an agency of the Tri-Cities United Fund, the YMCA and its successful Teen Town program are supported with an annual appropriation of \$73,000, the largest single amount allocated by the United Fund. Additional financial help is primarily obtained through the sale of "Y" memberships.

The local YMCA is one of more than 1800 similar facilities established in the United States and Canada, which serve over 4,000,000 members each year.

Around the world, the "Y" serves in 78 countries. Yet despite its vast organizational size, each YMCA is autonomous and is governed by its own board of directors drawn from interested citizens in the community.

Michael G. Schmitt serves as president of the local YMCA board of governors.

Changes in Staff
Within the past 12 months, the local YMCA staff has undergone considerable change in personnel and a shortage of staff members has been apparent, according to V. Vernon C. Tharp, executive director.

Tharp joined the local staff in July, replacing C. A. "Bud" McMillan, a long-time YMCA executive who resigned to direct the Coordinated Youth Services program, another United Fund agency.

Also resigning that past summer was "Y" youth director David Walker, now serving as Tri-Cities director for the Madison County Economic Opportunity Commission. The latter was replaced by Brian Brossman.

Other staff assistants are in the process of being appointed, Tharp said. Despite a shortage of staff, most of the programs have continued to flourish and several new ones have been added, the executive director said.

Dancing Classes
New within the past year is the "Solo Dance Club," an adult dance instruction program conducted each Tuesday at 8 p.m.

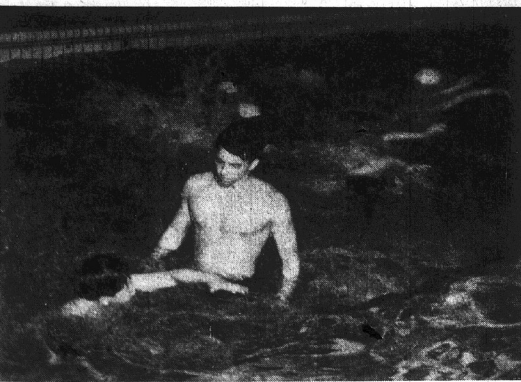

Also offered for the first time this year are a pre-ballet class for four to seven-year-olds and a creative dance class for youngsters ages eight to 11 years. Both programs are taught by Mrs. Mildred Hoelscher.

Approximately 500 boys from eight to 15 years participate in the YMCA soccer program, a sport which is gaining prominence throughout the country.

While hundreds of teen-age youths and men continue each year to compete in the "Y" basketball series, with leagues formed in the Mitchell and Madison areas.

Starting in January, an "Indian Guide" program for fathers and sons will be reintroduced into the community, Tharp reported, with the pre-school kindergarten classes for four- and five-year-olds also scheduled to begin the same month.

Swimming Still Popular
Swimming at the "Y" continues to be one of the most popular activities. Boys and girls may start as novice "paddlers" and proceed through various grades to a high level of swimming proficiency.

SWIMMING SKILLS are taught by qualified instructors in the YMCA's extensive swim program which turns beginner "paddlers" into advanced "shark" class swimmers. Not only youngsters utilize the Y's pool facilities, family swims are held each Monday and Friday evening and mother-tot swim programs are conducted during the daytime.

Family swim nights are held on Monday and Friday evenings, while youngsters interested in competitive swimming may join the "Y" Stamp Angels and receive expert instruction and coaching.

Under the supervision of Michael Jessee, YMCA physical education coordinator, a pilot program to teach swimming skills to handicapped students from central junior high school, shortly will get underway at the "Y."

With the cooperation of the Tri-City Red Cross Chapter, the Madison Lions Club, Granite City schools and assistance from qualified individuals and other United Fund agencies, the first instructional swim program for handicapped children will include specific teaching of swimming skills, especially geared to the capability and adaptability of each child as determined by the child's own physician.

Proponents of the extensive pilot project hope the initial program will be expanded to include similar classes for the physically handicapped.

Women's Department
A department for women carries on an intensive program of activity. Swimming is a popular recreation, with the women also participating in water safety courses, mother-tot swims and life-saving instruction.

The Slim Gym room continues to be a popular place to meet and exercise. The room is equipped with a Stauffer table, vibrator belts, exercise, bicycle, roller machines, jump ropes, sun lamp, steam cabinet, wall pulleys, foot massage machine and stretch exercisers.

The YMCA's United Fund allotment also includes funds for operating the "Y" Teen Town, the "in" place for the community's younger set. Last year, more than 65 dances were sponsored in the Teen Town facility, boasting an average attendance of between 400-500.

Several hundred junior and senior high school boys and girls for the Hi-Y and Tri-Hi-Y clubs, through which they conduct their own meetings and formulate activities with nominal assistance from adult advisors. Junior high school age youngsters also enjoy square dance instruction taught by Bob Boyd.

Community Programs
Apart from the regular YMCA programs, many other community groups frequently use the "Y" facilities, such as the Granite City Optimist Club, Granite City Rotarians and Bubblemaster's Scuba Diving Club, among others.

Last month, more than 500 visitors attended the annual "Coin Festival and Auction" sponsored by the Land of Lincoln Coin Club, which meets monthly in the YMCA.

Another event held earlier this year that attracted hundreds of persons from surrounding communities was the American Negro Exposition. Illustrating contributions of American Negroes through literature, artwork and industry, the show was highlighted with cultural and historical background material.

In addition to its varied program agenda, the "Y" offers overnight or extended accommodations to guests. Director Tharp said this week that approximately 90% occupancy is recorded for the 70-bed facility. He added that 17 beds are rented on a permanent basis for employees of the GM&O Railroad.

VARIED ACTIVITIES and good fellowship are found through membership in the YMCA's Senior Citizen's Club, which holds pot-luck luncheons and meetings at 11 a.m. each Friday, in the "Y." The club now boasts between 65 and 70 members, who enjoy outings, handicraft projects, discussions and special entertainment. New members are always welcomed.

\$49,000 Damage Suit Filed Over Accident

Dusan Gagich of Granite City and Eddie Davis Jr. of West Madison were named defendants in a \$49,000 law suit filed last week for James Shambo as the result of an auto accident last March 5 on the Broadway viaduct at Venice.

The complaint alleges that Shambo was injured when his auto was struck from the rear by another driven by Gagich. He claims he was forced to stop quickly as the Davis auto in front of him was halted in the traffic lane, blocking traffic. Shambo is seeking \$46,734.94 for injuries and medical expenses plus \$1500 for damage to his auto as the cost of interim transportation.

KC's to Initiate Members on Nov. 27

The first three degrees of the order will be conferred upon new members of the Knights of Columbus on Nov. 27 at the Tri-Cities K. C. Home, it was announced at a council meeting Thursday night.

The second and third degrees are to be conducted by a team from Teutopolis. Three to six other councils in Madison county are expected to participate.

Plans were announced for the council's annual memorial service following the 11:30 a.m. Mass Sunday at St. Elizabeth's Church and for the annual children's Christmas party on Dec. 18. Named to the sick committee for November were Leo Portell and Dr. J. R. Vastoff. The meeting was conducted by John Kuebler, grand knight. A lunch was served.

Woman Tries Suicide

A Granite City woman became violent in a suicide attempt and kept claiming she wanted to die at 8:25 p.m. Thursday, police reported. She had taken five sleeping pills from her husband's pill box and had been acting strangely for two days. She was admitted to St. Elizabeth Hospital.

Truck Battery Stolen

A 12-volt battery was stolen from a truck owned by the Clean Towel Co., 1303 Twenty-first street, while it was parked at night at the rear of the building. It was reported at 3:25 p.m. Thursday by John Summers, manager.

Miss Janet Demery Becomes Bride of Arnold Cockrell Jr.

Miss Janet Demery became the bride of Arnold Thomas Cockrell Jr. Saturday afternoon at Suburban Baptist Church.

The bride and groom were escorted by her father, who gave her away. The ceremony was performed at 4 o'clock by the church pastor, Rev. Keith Stanford, and a reception followed at the church.

Two branched candelabras, white flowers and a kneeling bench provided the setting for the wedding. White satin bows marked the family pews. The bride was escorted by her father, who gave her away in marriage.

Mrs. Shirley Schwendeman presided at the organ and accompanied the vocalist, Bill Patterson, as he sang "The Wedding Prayer" and "Always."

A gown of white imported Chantilly lace was worn by the bride. It was fashioned with the new bird cage look with a high rounded neckline and traditional sleeves. Scalloped at the hem, the back fell into a full sweep train. Petals of lace edged the neckline and crystals held in place the bride's cathedral length veil of illusion and she carried a cascade of lilies of the valley, white roses and green foliage.

Miss Sheila Diak was honor attendant, serving with two bridesmaids, Miss Cheryl Cockrell, the bridegroom's sister, Miss Carol Hornberger and a junior maid, Donna Cockrell, younger sister of the bridegroom.

The gowns, made alike with bodices of acra lace, were designed with square necklines and elbow-length sleeves. Long slender skirts were fashioned of satin and all wore forward petal headpieces and brief veils.

They carried round balls of shaded bronze and turquoise "mums" with ribbons to match their gowns. The honor attendants gown was made of deep ecru trimmed with turquoise.

Out-of-town guests here for the wedding were Mrs. Joseph Andrichuk of Caro, Mich., the bridegroom's grandmother, Mrs. Ella Harper, Lincoln Park, Mich., and Mrs. Terry Demarest of Chicago.

ATTEND WORKSHOP
Two Madison nurses, Mrs. Hil-da James and Mrs. Helen Brown, have returned from Chicago where they attended a workshop of the National Foundation of Birth Defects Thursday and Friday.

EDUCATION WEEK VISITS AT MADISON SCHOOLS

Mrs. Ruth Fanning, Mrs. Rose Lawrence, Mrs. Willie Soles, Mrs. Helen Clark, and Mrs. Virginia Landwehr, members of the Madison Harris School Mothers club, assisted in serving cookies, cake and coffee to parents attending Education Week observations Wednesday and Thursday at the Louis Bauer and Harris schools.

The president, Mrs. Delores Gasho, conducted a monthly meeting Wednesday evening at Harris school.

Parents visited the home rooms of their children.

The meeting was opened with the Lord's prayer given in unison. Plans were made for Christmas film to be shown to students of Harris school during a Christmas observance at Harris school.

Members of the club will decorate a Christmas tree for the school in the near future.

A report was made on a Halloween parade and treats purchased by the club. The club has purchased 12 yellow rain coats with hoods for safety patrol boys and girls to be used by Louis Bauer students. The club donated \$100 to the Madison Band Parents for purchase of uniforms.

The annual Christmas party will be held in the cafeteria of Harris school Dec. 14, at which time principals of each of the Madison schools and their wives will be invited to attend the dinner and social evening.

Officers of the club will serve as hostesses for the evening and each member is to take a covered dish. The party will be held at 7 p.m. and a gift exchange will be held. Santa will arrive at Harris school to visit just before Christmas.

TOUR PLANETARIUM

Cadet Girl Scout Troop 114 and its leader, Mrs. Jackie Frizell, with the assistance of Mrs. Delores Gasho and Mrs. Bernadine Weidner and daughter, Jo Ann, went to St. Louis Friday to tour the planetarium.

Girls making the trip were Mary Ann Jones, Brenda Broadway, Jocelyn Pluge, Jo Ann Pluge, Linda Soles, Paula Broadway, Debbie Gravito, Jeanette Loerch, Linda K. Butkovich and Debbie Votupal.

ENTRE NOUS MEETING

Mrs. Lela Kunkin was hostess to the Entre Nous club in her home, 3232 Carlson avenue, Friday evening.

Plans were made for a Christmas party at the Rose Bowl Dec. 17. Husbands of the members will be invited and gifts will be exchanged.

Aid to the needy was discussed. The hostess served refreshments to Mrs. Naomi James, Mrs. Geraldine Stein, Mrs. Louise Elversold, Mrs. Marion Fenne, Mrs. Doris Hargrave, Mrs. Eva Clemons, Mrs. Lorraine Creighton, Mrs. Geraldine Brooks and Mrs. Irma Graves.

Den Two of St. Mary's Cub Pack 47 went on a tour of the Ozark Airlines Friday morning, conducted by Henry Rahn, public relations director. The offices, hangar and maintenance areas were inspected.

Radior and Sonar equipment was explained and the tour was concluded with everyone boarding a Martin 404 aircraft. Other aircraft shown were the Douglas C-3 and C-47 jets.

Attending were Danny Hancock, James Hancock, Ricky Martinez, Jerry Plante, Aloyes Ruesing, George Stentzer, Mary Plante, Skipper Plante, Ramona Plante, Sandra Lynn Stentzer, Mrs. Ruth Ann Plante and Mrs. Beatrice Stentzer, den mother.

MINERVA READING CLUB THANKSGIVING PROGRAM

A "Count Your Blessings" theme prevailed as members of the Minerva Reading club held their monthly meeting with a Thanksgiving program Thursday in the home of Mrs. Loretta Reiske, 2855 State street.

The president, Mrs. Shirley Watkins, opened the meeting by leading the Lord's prayer. Her call was responded to by counting blessings; health was the most frequently mentioned.

Each member is to have an exchange gift when she arrives Dec. 8 at the home of Mrs. Shirley Rapoff, 2835 Edison avenue, for the annual Christmas party.

Mrs. Ruth Nicholas, Mrs. Clava Mae Howard, Mrs. Birdie Weiss and Mrs. Grace McLaughlin will be the hostesses with Mrs. Rapoff.

The Thanksgiving program was opened by Mrs. Helen Daley, who gave a reading of "The Star" by Francis Chopin, the famous composer who died at the age of 39.

Miss Marian Rekas, daughter of a member, Mrs. Mary Rekas, entertained the group by playing two selections, "Polonaise" by Chopin and "Invention No. 4" by Bach. Miss Rekas, a high school

GC Girl Assaulted, Escort Beaten, Stabbed

A Granite City girl, 17, was raped and her escort was beaten, stabbed and robbed early Saturday after the were attacked by five men near Route 3 at East St. Louis.

The girl was admitted to St. Elizabeth Hospital here for treatment and her companion, identified as Lester C. Brown, 30, of St. Louis, was treated at St. Mary's Hospital, East St. Louis, and was released. The girl was reported to be in good condition today.

Brown, a bus boy, said he and the girl were parked when an armed man approached, aimed a gun toward him and ordered him to open the trunk of his car.

Brown said he tried to get away but was attacked by the gunman and four other men. He was robbed of \$24 and his car was stabbed in the back.

The girl, who was struck on the head with a gun, was dragged through a weed field to a vacant house where she said she was held by five men. Brown got away, found a sheriff's patrol car, and he and two deputies conducted a search of the area.

The girl said she heard him calling her name, but the men were too close to her to prevent her from calling for help. Deputies saw two men running out of the house, but they escaped in a chase.

VENICE POLICE

Two truck drivers, authorities obtained this story.

Mrs. Harmon was behind the counter, and Diak had just completed making a delivery when a young boy came in, pounced on the counter and asked for a six-pack of beer. Mrs. Harmon said she thought the person was too young and asked for an identification card. The youth claimed to be 23 years old and said his identification cards were in the car and he would get them.

Both Mrs. Harmon and Diak at first described the person as a boy about 14 years old, but later admitted it was possible the individual was a woman in boy's clothing.

"I walked around the car and saw the boy get in a blue automobile parked in front of the store," Mrs. Harmon told police. "A minute later, the older man got out of the car and came in the store where Mrs. Harmon told him: 'I'll have to pay you later. I don't have any money now.'"

Collins, who told officers later, said he thought there was something wrong, remarked that was all right and started to leave, but the older man stepped in front of him and said:

SHOOTGUN GOES OFF

Collins said he was dazed, but that he believes the shotgun discharged when he was hit. Officers reported the glass of a display cooler was blown out with one blast from a shotgun during the robbery.

According to Mrs. Harmon, the older bandit rifled Collins' pockets after he had been struck. Mrs. Harmon said the older man then asked her where the "store gun" was kept and took it.

He then ordered all three victims into the back room where beer and liquor is stored.

"When we were in the back," Mrs. Harmon went on, "the older man came back and he hit Diak, then he hit Collins. He kept going back and forth hitting them, until Diak left the room unconscious."

Strikes Woman Clerk

"Then he hit me with his fist, and I lost consciousness. I remember coming to slightly and hearing someone say, 'Well, get going back and forth hitting them, until Diak left the room unconscious.'"

was out. When I came to, I crawled to the telephone and called police."

Collins was conscious, also, when police arrived, but Diak was still unconscious. An ambulance was called to take Diak and Collins to the hospital. Mrs. Harmon did not require medical treatment.

The Venice Liquor store is owned and operated by Sam Rosch and has been the scene of a number of holdups, the last previous such holdup about two months ago. It also was a day-light robbery.

Police found a pair of blue jeans that the robbers left behind. Mrs. Harmon said they were wrapped around the shotgun when the couple entered the store.

Store Lost Small

The bandit took \$183 from Diak and took \$55 and a wrist watch from Collins. Rosch told the Press-Record that he did not know how much was taken from the cash register at the liquor store, but that it "didn't amount to a great deal." He said he did not care to discuss the amount of money taken.

Although all three victims at first described the smaller bandit as a boy of about 14, they later agreed it well could have been a woman in boy's clothing. Collins said he recalled he heard a feminine voice other than that of Mrs. Harmon, al-

though he had not seen a second robber when he first was struck. Venice police said the method of operation was identical to that followed in the Moto Service Station holdup, and that they had learned that even statements between the two robbers and their activities inside the store called identical.

The older bandit was described as 30 to 35 years old, about five feet ten inches tall, weighing 160 to 170 pounds, wearing a grey hat and fingertip length coat. He was armed with a shotgun.

The other one, described as a boy, about 14, was said to be about five feet three inches tall, weighing about 110 pounds and wearing a black leather cap and a knit sweater with beige stripes.

DISORDERLY CONDUCT Charges are Filed

Disorderly conduct charges were placed against a woman and a man arrested Saturday afternoon in Garrett's tavern by Venice police, who were called there by the woman.

Mrs. Retta Mae Shipp, 36, of 613 Third street, Venice, was freed on bond, as was Roosevelt Smith, 30, of 328 Weaver street, who also was charged with peace disturbance.

Candle-Making Class Planned for Wednesday

A special workshop to teach the art of holiday candle-making will be held from 7 to 9 p.m. Wednesday at the Granite City park district community center, 222 Weddington avenue. Miss Cheryl Oranohod, project supervisor, announced today.

The program, open to all residents of the park district without cost, is part of the district's annual Christmas handicraft series which will continue each Wednesday evening for the next five weeks.

representative of the American Handicraft Co., a St. Louis firm, will instruct the special workshop. Miss Oranohod said.

Names suggested by the students of the park district will be included in the district's annual Christmas handicraft series which will continue each Wednesday evening for the next five weeks.

Results of the referendum will be studied by two SIU-SW vice-presidents, Robert W. McGowan and Ralph W. Ruffner, before a final decision as made on a name change.

SIU-SW Students Vote Today on Paper's Name

Students at Southern Illinois University-Southwestern Campus are voting today to determine the name of the new campus newspaper.

More than 50% of the 700 students who cast ballots last week favored a change in the weekly paper's present name, Olele.

Names suggested by the students are the SIU Times, Southern Journal, Spectator, Observer and Cougar Chronicle.

Results of the referendum will be studied by two SIU-SW vice-presidents, Robert W. McGowan and Ralph W. Ruffner, before a final decision as made on a name change.

3 Republican Events Planned this Week

Granite City Republicans will participate in three separate events this week. All are scheduled to be held at GOP headquarters, 1239 Nineteenth street, according to Mrs. Joyce Glasgow, public relations chairman.

At 6:30 p.m. today, members of the Teenage Republican Club will hold a get-together, while GOP precinct committees are slated to meet at 7:30 p.m. At the same hour Thursday, the Granite City Republican Women's Club plans a regular meeting at the headquarters, Mrs. Glasgow said.

Drug Racing Charged

Harold W. Ballentine Jr., 308 Washington avenue, Madison, and James Leroy English Jr., 2137 Robert avenue, were arrested at 1:15 a.m. Saturday on charges of drug racing at Niedringhaus and Madison avenues. They were removed for hearings by Nov. 22.

Tri-City Grocery Wins Certificates from USO

Certificates of Merit are being awarded to each store of Tri-City Grocery Co. for its successful participation in a campaign to raise funds for United Service Organizations (USO) programs overseas.

The campaign, "Flip Your Lid for USO," was conducted by the firm in cooperation with Maxwell House Coffee Co., whose representative, Donald Zimmerman, said all the stores are receiving the certificates for an accumulated total contribution of \$500. Included are the Bellemore, 19th street and Venice stores in the Quad-Cities. The certificates are signed by Harvey Firestone Jr., national USO chairman.

In the promotion, coffee buyers were asked to place plastic lids in a special bin at the stores, with the bins scaled to see the contribution amount.

Plane Makes Forced Landing on Highway

A student pilot made a forced but safe landing on By-pass 66 between Sunset Hill and Ed. missing a truck in the process.

Robert Bishop, 45, of Alton, was logging flying time when his Cessna 170B biplane stalled at about 200 feet. He radioed Civil Memorial Airport at Bethalto and was advised of a likely landing place.

Bishop said there were a few drivers who gave him the right-of-way, and state troopers stood by to block traffic. He had to dodge the truck after touchdown. An instructor from the airport flew the plane out as troopers cleared the highway.

The student pilot said he later wants to become a helicopter pilot to serve in Vietnam.

Auto Battery Stolen

A 12-volt battery was stolen from the 1964 auto of Larry Kaufman, Alhambra, while it was parked on the Granite City Steel Co. Nash street lot between 8:15 a.m. and 3 p.m. Thursday.

Eagles Lodge Canned Food Drive Opens Wednesday

The 21st annual kickoff banquet of the Eagles Lodge canned food drive is set for Wednesday at 6:30 in the lodge hall, 2558 Madison avenue.

Special guests will include Willie McCauley of Belleville, national vice-president; Ed DePent of East St. Louis, a state trustee; Lt. Donald Wisor of the Salvation Army, and Roy Lynn, a Salvation Army board member.

Principal speaker will be Larry Stallings of the football Cardinals.

Jesse R. Brown, original of the campaign and current drive chairman, said between 150 and 160 persons are expected to attend. The goal is 500 cans of food for the annual Salvation Army Christmas basket distribution.

The dinner is to be prepared by the Eagles Auxiliary headed by Mrs. Margie Hall.

Woman Suffers Stroke

Lena Cook, 65, of 2333 East 25th street, was taken by ambulance to a hospital in Alton after suffering a stroke at her home, it was reported at 9:40 a.m. Friday. The fire department inhalator also was summoned to the house.

Runaway Car Travels Backwards on Madison Av.

A car driven by Shirley Arnold, 1221 Madison avenue, which had been parked just a few minutes earlier, rolled away from its parking place on the west side of the 1200 block of Madison avenue at 11:45 a.m. Friday and crashed into a parked car a half block away, Madison police reported.

Officers said the front wheels apparently had been left at an angle and the car rolled toward the center of the street where the front wheels hit the median strip. The impact turned the wheels and the car backed northward against traffic until it nearly reached the 1300 block where it struck a parked car owned by Joseph Mezo, 584 Madison avenue. Only minor damage resulted, police said.

Taxpayers Must Give Dividend Information

Taxpayers who receive dividend or interest income are required by law to live their tax account number to the organization that pay the income, according to Jay G. Philpott, district director of internal revenue. For individual taxpayers, the tax account number is the Social Security number.

Business firms are required to report to IRS dividends or interest of \$10 or more paid to anyone during a calendar year. The information returns, Forms 1099, come tax.

Firms must furnish a statement of total payments for the year to persons receiving dividends and interest amounting to \$10 or more.

Four Radar Arrests

Four drivers were arrested on speeding charges Thursday afternoon at 2500 East 23rd street where police operated a radar unit. They are Dale E. Dickey,

2676 Highway 67, James W. Thorp, 1608 Third street; John F. Love, 2721 Myrtle avenue; and Clifford R. Curtiss, Collinsville.
